

WASH & WAX SP MC

Dry cleaner
Cleans and shines up plastic parts and paints
Spray

TYPE OF USE

Wash & Wax is the dry cleaner for your MOTORCYCLE. Thanks to its exclusive formula, it cleans and protects motorcycle bodies without water : fairings, rims, frames, swingarms.

- 1) Easy to use, Wash & Wax wipes clean all surfaces in depth without using water or rags: removes mud, dirt and others stains.
- 2) Deposits a protective wax film for extended effectiveness. Enhances body shine.

PERFORMANCES

Wash & Wax cleans and shines up all surfaces in depth without using any water:
Removes mud, dirt and others stains.
Easy to use.
Leaves a protective wax film for extended effectiveness.

RECOMMENDATIONS

Spray Wash & Wax directly on the surface to clean.
Scrub with a soft rag clean and dry.
